We do not recommend that you rent a car. Once you get to the hotel, everything is in close walking distance. A taxi from the Orlando International Airport will take about 30–40 minutes and cost around \$55 USD one way (tip not included). You can also take the Mears Airport shuttle for \$20 USD one way. You do not need to make reservations for the shuttle before arriving. The Mears ticket counter is located near the rental car ticket counters at the airport.

Clicking on the following link http://www.doble.com/events/earning_ceus.html, you will be brought directly to all the information you'll need about CEU's.

What is the dress code for the event?

There is no required dress code. Most attendees come casual or business casual. The days are long, so dress comfortably. We recommend you bring a sweater or light jacket in case the room temperature is too cold for you.
